

- Everything You Need
- Affordable Monthly Fee
- Style You Don't Need to Hide
- 3 Year Warranty

Elo PayPoint® - The Electronic Cash Register Reinvented for the Cloud

All-in-one, the Elo PayPoint is your register, cash drawer, credit card reader, barcode scanner, receipt printer, customer facing display, and point-of-sale software solution – all automatically backed up in the cloud to keep your business up and running. This is an integrated way to accept all forms of payments while keeping track of your most loyal customers in a way that is secure, affordable, fast and easy.

Secure - PCI PA-DSS and PCI DSS compliant means our payment application and system have been independently validated to provide added security and protection for your credit card transactions. Encrypted communications keep you connected

while helping protect your information. Bolt it down to your counter for added peace of mind.

Affordable - Low monthly fee, no long-term contracts to sign¹, and 30-day risk-free trial².

Fast - Authorize payments in seconds with funds deposited directly to your bank account. Send digital receipts to customers on the go.

Easy - Sign up online then plug it in, power on, and start selling. Have a question or need support? We're here with a live person ready to help. If anything ever breaks – we'll send you a replacement that will automatically update with all your information intact².
